Professional Experience

Travelstack Tech (Fabhotels), Gurugram, IND

Dec 2024 - Nov 2025

Software Engineer

- Enhanced TravelPlus app using React Native, React, and Redux Saga; implemented SSO authentication for seamless cross-platform logins.
- Integrated modern design system with reusable components, ensuring UI consistency, performance, and improved user experience
- Delivered multiple client-specific features under tight deadlines; revamped Expense Module with personal employee booking.

Infomo, Dehradun, IND

Dec 2022 - Dec 2024

Software Development Engineer 1

- Contributed to ad tech projects using React Native, collaborating on the development of cutting-edge solutions for seamless ad integration and enhanced user experience.
- Developed "Lite SDK," a robust React Native-based solution, enabling clients to effortlessly integrate ads into their apps.

Ebizon, Dehradun, IND

Jul 2021 - Dec 2022

Analyst Programmer

- Developed modern, performant, and robust code for a diverse array of clients and internal projects.
- Worked on react native projects, leveraging javascript, React, and cross-platform expertise to create user-centric apps.
